

*Alcohol, Drug and Mental Health Board  
of Franklin County*

## Opiate Epidemic March 23, 2016

**OUR MISSION:** We exist to improve the well being of our community by reducing the incidence of mental health problems and the abuse of alcohol and other drugs.

# Our Role in the Community

# Our System's Focus Areas

# Heroin use is part of a larger substance abuse problem.

Nearly all people who used heroin also used at least 1 other drug.

Most used at least **3** other drugs.

**Heroin** is a highly addictive opioid drug with a high risk of overdose and **death** for users.

## People who are addicted to...

ALCOHOL

are

**2x**

MARIJUANA

are

**3x**

COCAINE

are

**15x**

Rx OPIOID PAINKILLERS

are

**40x**

**...more likely to be addicted to heroin.**
