

Internship Application Summer 2026

This internship is designed to be a 12-week experience that will provide students with opportunities to observe and participate in the work performed in a coroner's office by reporting to the Franklin County Forensic Science Center in Columbus, Ohio. Students will also complete an independent project with a presentation at the conclusion of their internship.

Required Materials:

- Completed Application Form
- Copy of Resume/CV with relevant coursework and experience
- Cover Letter explaining your interest and career aspirations
- **Deadline: February 20, 2026**

All Materials should be submitted to **CoronerEducationProgram@franklincountyohio.gov** Applications will be considered as they are received. No applications submitted after Feb. 20, 2026, will be considered for the Summer 2026 Internship.

Which internship are you applying for? Office Rotation ☐ Toxicology ☐

QUESTIONNAIRE

What is your connection to Franklin County, OH?

Will you be available the entire duration of the internship period (January 21, 2026 thru April 15, 2026)? YES ☐ NO ☐

If no, please explain:

Do you require any special accommodations to facilitate your internship? YES ☐ NO ☐

If yes, please explain. We will make every effort to facilitate any needs.

Do you have any specific requirements for the internship from your school or program? YES ☐ NO ☐

If yes, please describe. Be sure to include any minimum number of hours required and/or reports required. Note also if you will receive course credit and need to be assigned a grade.

What is your desired weekly schedule? We will consider special scheduling needs, but we may be limited in our ability to meet these needs. Morning hours are required for all internship positions starting at 7am for Toxicology and 8am for Office.

Please list courses you have taken or experiences you have had that are relevant to this internship. If these items are clearly noted on your resume, you may simply write "see resume."
